

CONFORMITY STATEMENT

Packaging and Packaging Waste Regulation (EU) No. 2025/40 (PPWR) of 19 December 2024

We confirm that tesa packaging items and items marketed for use as packaging, comply with the requirements of article 5 of Regulation (EU) 2025/40 (PPWR). This includes compliance with the applicable threshold limits for heavy metals as set out in Annex XVII to Regulation (EU) No. 1907/2006 (REACH).

Please take note: The products referred to in the above paragraph are not intended for direct or indirect food contact within the meaning of Regulation (EU) No. 1935/2004 and its subsequent amendments including Commission Regulation (EU) No. 10/2011, unless such food contact suitability is separately and explicitly confirmed by tesa SE.

Disclaimer

We certify that the above declaration is made in good faith based on our current state of knowledge and information provided by suppliers.

We have implemented systems to the best of our ability to ensure that tesa® products are compliant to global environmental regulations and laws. However, not all materials, including their packaging are independently tested for their substance content. Therefore, tesa SE cannot warrant the correctness of information received from upstream suppliers.

In the event of any issues arising from the information and/or statements contained in this document, our General Terms and Conditions of Sale (Terms & Conditions - tesa®) shall apply. Any conflicts between the information in this document and written contracts will be resolved in favor of the contracts. The information and statements in this document or this document itself do not have the effect of amending any of these contracts.

This document is issued electronically and is valid without a signature.
